

South American Super Yacht Support

Our operations areas: Chile, Uruguay, Perú, Ecuador, Panamá, Easter Island, Robinson Crusoe Island and Antártica.

When the “now what do we can do? Or, where we should go?” question comes up. We can help with that! we have a in place knowledge of some of the best on-the-water delights our region has to offer. Whether it’s heli-fishing, or cruising the stunning Patagonian fjords, we can point you in the direction of some of the world’s most beautiful cruises and sea-based sights. We can organize an itinerary for you that will deliver the best possible experience, catering uniquely to your personal interests and time parameters.

CROSSPOINT YACHTS

Our team is formed by professionals with maritime and Yachting background assuring silver services and highest level up to the industry standard, whom will always seek the best way to solve all and any problems that may arise in the fastest and most efficient manner, assuring a single entry point to all your needs.
